The STFC FITC Boys Advanced Centre for Elite Players

SWINDON Town Football in the Community Trust in partnership with Swindon Town Football Club, are pleased to announce that we will be running the Boys Advanced Centre for the 2015-2016 season and beyond.

The chosen players will compete in competitive games against other professional football club Advanced Centre squads.

Players are given the opportunity to develop within a structured environment under the guidance of high quality STFC qualified coaches who use the latest coaching methods developing players both tactically and technically. Our aim is to provide future players for the STFC academy and ultimately the Swindon Town first team squad.

Boys will be able to continue to represent their local clubs as well as attending the Advance Centre.

The STFC Family

STFITC believe that advanced players should experience the opportunity to compete against elite opposition. In season 2015-2016 we plan to take a chosen squad to the Gothia World Youth Cup where they will compete against some of the best developing players in the world. We also like to invite our squads to spend a day at The County Ground to experience the thrills and spills of the first team in action.
**What you will commit to:**

- 1 Training session per week at the Grange Community Centre on their new ‘3G pitches’
- 8 games per season against other Football League Clubs and Centres.

We will be running the following Age groups for season 2015-2016 Commencing Monday 7th September 2015.
