Tuesday 22nd October 2024

Dear Parent/Carer,

Over the next few weeks, we would like you to make a memory box with your child for their homework project.

A memory box is a place for you to keep important and treasured memories. You can put in special things that belong to you, like an old toy, something you had as a baby, photographs, letters, drawings and other things that will remind you of precious and memorable times.

An exciting part about putting together a memory box is sharing it with others. We will share these in class later on in Term 2.

We ask that you do include a picture of you as a baby and a picture of you now as we will be using this in a variety of lessons too.

We would like the memory boxes brought into school by **Monday 11th November**.

We hope you enjoy reminiscing whilst putting together these memory boxes.

If you have any questions about your memory box, please do let us know.

Thank you for your time.

Mrs Farmer, Miss Gallacher and the Year 1 team
