## Nursery News

This week we had a special visit from Goldilocks herself, as we have been learning about Goldilocks and the Three Bears. We asked her lots of questions. We have been learning to subitise to 3 and enjoyed Baby Bear's porridge for our snack. Yum yum. 😊 We love learning through books.

## Congratulations to our Word Millionaires

Well done to these children on completing their way to reading over a Million Words within the Accelerated Reader programme so far. The programme, which is used mostly within KS2, categorises all books to appropriate standards and children answer quizzes on the books once they have read them. The children choose their reading material and lead the way from there. Whether it be JK Rowling, Roald Dahl, Sharna Jackson, Jackie Wilson, Charles Dickens or indeed almost all authors you could think of, the books are categorised and the words count. We know others are close, so it won't be long before more join the list.

## Clubs start next week

Here is a reminder that Monday Clubs start again next week. Your children should have brought home confirmation this week if they are in a club. Please remember to collect your children at 4pm as these clubs are run on a voluntary basis and staff have meetings to get to once the children have gone.
