Nursery News

What a fantastic end to the term! We have froglets and butterflies. The children have been fascinated watching them change. The children enjoyed releasing the butterflies and taking the froglets back to the pond. We will be visiting them regularly.

Open Hour Book Look

Once again, we had record numbers attend our Open Hour Book Viewing. It was lovely to see so many children sharing their work with their parents - and to hear so many parents expressing how proud they are of their children.

Thank you to all who were able to come and share in this amazing experience with your children. We will publish next year's Book Viewing dates in July.

Year 6 Cake Sale TODAY!

The children in Year 6 always do a few events in the summer terms to raise funds for their end of year celebration day. They start with a cake sale at 1.30pm today.

They will hold it on the Astro-pitches.

Please help the Year 6 children raise some funds, by bringing loose change and start your half term holiday with cake!

Discos Return and break records...

What an excellent evening we had at the school discos this week.

The first in over two years and so well attended; we had record breaking numbers. With 370 in attendance across the two discos, everyone who turned up to help (both staff and parents) had to work very hard to make sure they were such a huge success.

Together, we helped raise just over £1000 for FOAMS. This money will continue to be used to reduce the costs of school trips and creating positive life-long memories for your children.

Taekwondo Success

A huge Congratulations to three of our students for achieving their black belt in Taekwondo.

Well done to Sam and Nick for passing the gruelling 2-month long process which includes attitude, technical and physical testing.

Sam's sister Ann was required to pass the attitude and physical aspects in order to retain her black belt. All were hugely successful. Well done!
