## Big Walk and Wheel 2022

Well done to all who Wheeled or Walked in the last two weeks.

A special thanks goes to those who made extra effort to change the way they travel to school. Please continue to do this, it helps both the environment and you! We have had everything from scooters and bicycles to roller skates and a rolling Unicorn! By far the most popular way of coming to school was walking, but the use of cars still 'rides' high in the data. Please consider reducing the use of the car.

## Nursery News

This week our 'Everywhere Bears' went on their first adventures.

They had an amazing weekend celebrating Henry's birthday, attending his birthday party and even went to LEGOLAND.

This was followed by a midweek break with Cooper and Carter, who took him swimming and snuggled up for a story about the 'Everywhere Bear' by Julia Donaldson.

The children have loved sharing their adventures with the class as this has been documented on 'Tapestry'.

This is a wonderful speaking and listening opportunity.

We can't wait to see where he goes next.

## Parent Consultation Evenings (PCEs)

Thank you to all who managed to see their child's teacher this week, whether face-to-face or virtually. A special thanks go to those who managed to keep to their 10 minutes, allowing us to stay on time and avoid crowds waiting outside classrooms.

## WARNING - Morning gate times return to normal.

Please note that from April 25th we will return to the normal opening hours, that were last in place in March 2020.

In the morning the gates will open at 8.20am The school day starts at 8.30am, when the classroom doors open. **The gates will be locked at 8.40am.** Children arriving after this time will be marked late and any children arriving after the registers have closed will receive an unauthorised mark.

Please be pre-warned and if you currently arrive after 8.40am, please start planning for a slightly earlier arrival after Easter.

## Fire and Police Service visit Reception

Thank you to our local Fire Brigade and Police for coming to see our reception classes this week. They really are 'People Who Help Us' and the children really enjoyed hearing the sirens and sitting in the vehicles. They also learned a little about how these important people help us every day.

These were shared on [@AMCPS Twitter](#) Wednesday!

### Well Done, Gavin

Kavin (from 3Sycamore) shared his triumphs with the class, by showing his well-earned trophies. He scored over 90 in his recent Tamil exam and was awarded a beautifully engraved trophy. Not only that, he came a well-deserved 3rd place for his Tamil speech exams, earning him another shiny trophy. Fantastic work! *Well done, Kavin.*

### **Home time today!**

### April Fooled!

Thank you to Miss Spring and Year 6 for their efforts to April Fool Mr Buckley today. First thing this morning Mr Buckley was called by Miss Spring to deal with water running down the stairs.

Then, in assembly, Year 6 disappeared from the screen. They couldn't be seen anywhere, and it was rapidly becoming time to award the House Point Cup ... *Where are they?*

### Ukraine Appeal

A reminder that the Blue Kite letter regarding the Ukraine can be found here:

The Blue Kite Academy Trust stands in solidarity with the people of Ukraine and the communities affected by this conflict - and this includes residents with roots in Russia, and the wider region who will also, of course, have grave concerns about what is happening. The Blue Kite Trust strives to be inclusive and compassionate. It is crucial that we all stand together and support each other during these troubling times.
