Dear Families,

Welcome back for our final term of the year. We hope that you have had a pleasant break over the half term holidays. Please see the key information below to help you and your child prepare.

Our topic for Term 6 is titled 'Crossing Borders'. The study links to our class novel, *The Boy at the Back of the Class*, by Onjali Q. Raúf. The book features a refugee child from Syria, so there is one distressing scene in the book relating to boat crossings. However, our study follows the friendships between the characters.

MTC:

The DfE Multiplication Time Table Check window has now opened, so your child will be taking this quiz at some point over the next two weeks. Please encourage your child to continue their practise on Times Table Rock Stars, in preparation for this.

PE:

This term, the children will have athletics for outdoor PE on a Tuesday afternoon. Please make sure your child has their PE kit and trainers for these sessions. Hornbeam will continue swimming lessons every Thursday. Please make sure pupils have a swimsuit and a towel for this. Goggles and a swim hat are optional.

PHSE:

The unit of study for this term's PHSE will be on 'Changing Me.' This is the Sex and Relationship Education unit, which focuses on changes to the body through puberty. If you have any concerns in relation to the themes of this unit, please get in contact with the Year 4 team

Forest School:

Your child will have two Forest School sessions across the four dates listed below. We will be mixing both classes to create two groups, so we request that the children have their kit for each date listed below. Heavy boots and thick winter clothing will no longer be required. Please still keep an eye on the forecast, so that pupils are dressed suitably for the conditions.

Monday 10th June

Monday 17th June

Monday 8th July

Monday 15th July

Field Trip:

We have planned a field trip, where we will be walking to Moulden Hill Lake, in North Swindon. The children will conduct a series of activities around the site, related to our geography skills. This will take place on Monday 24th June, with a back up day of Monday 1st July, if the weather forecast is

As always, if you have any questions or concerns, please get in contact. The Year4 Team
