SUMMER TERM 6, ISSUE 4

Charity Number

## Final Countdown!

It is hard to believe that we have reached the final term and another school year is nearly done and dusted. How can that be?!

Whilst it has been far from normal there has still been a lot of PTA activity across the year and together, we have achieved a lot.

Sadly, due to the restrictions, we have been unable to hold many of our favourite fundraising events this year including the school discos and Summer Fayre. We are still regularly discussing future plans, alternative ways to fundraise and hope that some of the events we have missed this year can return soon.

## Fundraising Update:

Whilst the fundraising is an important contribution to our children's learning experiences, the PTA is about much more than just the funds. Considering Global events, we are even more aware of the importance of working together as a school community to provide the children with some much-deserved enrichment. Thank you to everyone who has supported our events this year.

## Can you help?

We always welcome any help parents and carers can give us. There are lots of events during the year both large and small and their success relies on the assistance of volunteers! If you would like to be involved in anyway, please do not hesitate in contacting us via email or message on our Facebook page.
