Football Success: AMCPS 2 St Leonards 1

AMCPS enjoyed their first win of the season at home to St Leonard's on Wednesday this week following last week's opening draw.

Yet again they faced an excellent side showing the standard of football in North Swindon must be very high at the moment. This week the boys had a very tough challenge and both teams played out a very even first half - until a lapse of concentration in defence allowed our visitors from Blunsdon to take the lead.

The game remained completely even throughout, with the teams exchanging attempts on goal, until with 5 mins to go Rory scored a brace in quick succession to seal the points for AMCPS. His first goal was a stroke of individual genius.

Throughout the game Eryk was outstanding and a constant threat to the opposition so both Eryk and Rory shared POTM, but the whole team performed extremely well that for the second week running they all could have been selected for the award.

Monday sees our Cup team start their campaign at home to Haydon Wick.

Good Luck everyone!

Nursery News

What a fantastic week to introduce our brand-new sandpit! 🌟 The children have loved it! They have been so engaged digging, scooping, and building brilliant sandcastles. We are incredibly grateful to FOAMS for funding this wonderful addition to our outdoor space. The sandpit offers so much more than fun, it gives children the chance to develop essential gross motor skills through physical digging. These movements build the strength and coordination that are the foundation for fine motor skills like drawing, mark-making, and eventually writing.

Thank you for helping us create such purposeful play experiences!

Parents Consultation Evenings (PCE) next week

Thank you to everyone who has booked appointments for this. The booking system has now closed. However, it is a really important opportunity to come and talk to your child's class teacher and it is not too late! If you still need to make an appointment, please go and see your child's class teacher and they will be able to give you an appointment.

We look forward to seeing you- *whether virtually or face to face!*
